## ABOUT ME

Enthusiastic Computer Engineering student dedicated to bridging the gap between hardware and software. Strong foundation in digital systems design, programming, and problem-solving. Committed to staying updated with industry trends and eager to contribute technical expertise to future projects. In my free time, I love experimenting with coding projects, tinkering with hardware components, and staying active in the tech community.

## SKILLS & PROFICIENCIES

- Computer Hardware
- Coding
- Networking Concept
- Analytical Skills
- HTML
- CSS
